All that tract or parcel of land lying and being in the 8th District, 1st Section, Land Lot 112, 113, 140 & 141 of Fannin County, Georgia, containing 51.24 acres, more or less, (which includes an overlap area of 0.30 acres), as shown on a plat of survey by Polaris Surveyors LLC, Richard E. as the Raven Ridge subdivision) and leading to Cutcane Road. Said easement shall not be a mere license, but shall be a right running with the land, and shall inure to the benefit and burden of the Grantor, the Grantee, their heirs and/or assigns. Grantee shall pay an amount annually to the Raven Ridge Homeowners' Association equal to half of the amount of the then-current Road Assessment (\$300.00 for Year 2006, 1/2 is \$150.00) for usage of the road system PLUS an amount equal to any Special Assessment (excluding pavement) assessed due to issues related only to portions of the road system providing access to lands of the Grantees, said portions of the road system being the road leading from Cutcane Road to the traffic circle, bearing right and ending at Lot #1 of Raven Ridge Subdivision, Phase II). Legal access to the above described property is over and across the Raven Ridge Subdivision road system, and over and across a currently existing road crossing lands of H. Michael Coleman and Frances L. Coleman property (said road running approximately 400 feet over the lands of the Colemans). H. Michael Coleman and Frances L. Coleman grant a forty (40) foot easement to Grantees herein for ingress, egress and utility installation (underground only) running along and with said currently existing drive and leading from Raven Ridge Subdivision's road system (ending near Lot 1 of Raven Ridge subdivision) to the lands above-described (51.24 acres), and shall include the right to improve said currently existing road (including but not limited to the right to pave said road at Grantees' expense). Said easement shall not be a mere license, but shall be a right running with the land and shall inure to the benefit and burden of the Grantor, H. Michael Coleman, Frances L. Coleman, the Grantees, their heirs and/or assigns.

1. The exterior of all structures to be constructed on any of said lots shall be completed within one (1) year from date that construction begins. Outside landscaping must also be completed within the one (1) year time period, completed landscaping meaning that all areas are covered with natural growth, grass, sod, shrubs, trees and/or mulch. No bare dirt shall be exposed except during construction.
2. No dwelling shall contain less than 950 square feet of heated living area on the main floor (not counting any footage in the basement of the home), exclusive of garages, covered walks, open and/or screened porches, patios, terraces, pool areas or other similar areas, with total square heated living area square footage of no less than 950 square feet. All exterior surfaces shall be covered in a fashion to blend with the natural environment of the submitted property, including but not limited to stone and wood combinations, with a preference for rustic mountain cottage or bungalow style homes. The preferred roofing materials are slate, cedar shakes or architectural shingles, but the Architectural Review Board ("ARB") may approve factory painted metal, with Green (forest), Grey, Brown and Black being the preferred color. No vinyl siding may be used. The roof pitch must be at least 7/12. Design and materials shall be approved by the ARB. All exterior foundation materials shall be "rocked" in a manner to be consistent with the remainder of the dwelling.
3. No inoperative cars, motorcycles, trucks, or other types of vehicles shall be allowed to remain either on or adjacent to any Lot for a period in excess of forty-eight (48) hours; provided, however, that this provision shall not apply to any such vehicle being kept in an enclosed garage. There shall be no major repair performed on any motor vehicle on or adjacent to any Lots in the subdivision. All vehicles shall have current license plates.
4. No mobile, modular, prefab home or homes constructed in whole or in part off of any Lot will be allowed on any Lot. No prefabricated outbuildings shall be allowed on any Lot. The owner of a lot may erect an attached garage or outbuilding if the structure is fashioned in appearance and likeness to the design of the main residence. Any garage or outbuilding will be enclosed completely.

NOTE: An owner may build a garage with attached apartment and use it as a temporary residence for a period not to exceed thirty-six (36) months. Said garage is subject to the design specifications listed above in #2 (except square footage requirements), #4 and ARB approval. Primary residence must be started and completed within thirty-six months from the date that construction begins on the garage apartment.

To prevent mud and other debris from being tracked onto the street, a construction drive must be installed prior to beginning construction on the foundation and maintained until the permanent drive is completed. All permanent drives must be surfaced in a fashion to minimize impact on subdivision roads at the point of intersection with same and must be completed within sixty (60) days after exterior construction is completed. If the owner shall default under his obligations described in this #8, the Declarant (or the ARB) may provide for the completion thereof and may enforce the same by suit or filing of a mechanics/materialsman lien against the lot. In the event that such action to enforce is necessary, then the Declarant or ARB may include reasonable fees of attorneys incurred by reason of such default in any such claim.
9. Garbage and trash - No trash, garbage, or other waste material or refuse shall be placed or stored on any Lot except in covered sanitary containers. All such sanitary containers must be stored in each home, or within an enclosure designed therefore, which must be at least five (5) feet from any Lot line.

 - d. That no lot clearing debris or waste material is disposed of by burning or burying on any lot (Exception: Developer may clear and burn as needed to improve the appearance of the subdivision.)

Any specific damage to subdivision roads or other common property during construction of a new home shall be the responsibility of the homeowner. In addition, lot owners shall pay the Homeowner's Association a one-time \$1,000.00 Road Impact Fee, due at the time of closing for general damage to the road system from future construction of a dwelling.

11. All Lots shall be used for residential purposes only and no business or business activity shall be carried on upon any Lot at any time, with the exception that rentals of homes in the submitted property shall be allowed for a period not to exceed thirty (30) consecutive days, and said homes not to be used as rental residential primary residences. For any rentals made, there shall be an adult over the age of (25) onsite at all times that there is a person or persons less than (25) years of age onsite. The owner of the property shall remain responsible for conduct of guests and their compliance with these covenants. There shall also be an exception for home-based businesses involving no retail traffic or storage of inventory or equipment.
12. No utility trailer, junk nor household appliances shall be kept, stored or repaired in plain view on any lot, except that such may be kept, stored, or repaired in an enclosed building so as not to be subjected to view by lot owners or from subdivision roads.

Anything in this Declaration, the Homeowners Association Articles of Incorporation of By-laws to the contrary notwithstanding, for as long as Developer is the Owner of any Lots developed or intended to be developed within the properties, no vote, decision, or action which requires the approval or a vote of a majority or more of the Members of the Homeowners' Association voting on said matter, irrespective of class, shall be effective or implemented until Developer has approved of or consented to same in writing directed to the Board of Directors of the Homeowners' Association.

Section 3: Declaration Superiority

Personal Obligation of Assessments: Claim of Lien: Each owner of any Lot (with the exception of the Developer, the Developer being subject to no assessments of any type during its ownership of any lot or lots) by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Homeowners' Association: (1) Annual assessments or charges; and (2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest and costs of collection including reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property or Lot against which each such assessment is made. Each such assessment, together with interest, costs of collection, and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for such delinquent assessments shall also pass to his successors in title, provided the Homeowners' Association has caused a claim of lien to be recorded in the Public Records of Fannin County giving notice to all persons that the Homeowners' Association is asserting a claim of lien upon the Lot prior to the conveyance of title to the Lot. Said claim of lien shall state the description of the residence, the name of the record Owner thereof, the amount due and the date when due, and the lien shall continue in effect until all sums secured by the lien have been fully paid. Such claims of lien shall be signed and verified by an officer of the Homeowners' Association or by a managing agent of the Homeowners' Association. Upon full payment, the party making payment shall be entitled to a recordable satisfaction of lien. Liens for assessment may be foreclosed by suit brought in the name of the Homeowners' Association in like manner as a foreclosure of a mortgage on real property. In such foreclosure, the Owner of a residence shall be required to pay a reasonable rental for the residence and the Homeowners' Association shall be entitled, as a matter of law, to the appointment of a receiver to collect the same.

B. Purpose of assessments: The assessments levied by the Homeowners' Association shall be used exclusively for the purpose of promoting the recreation, health, safety, and welfare of the residents in the Properties, and in particular for the improvement and maintenance of properties, services, and facilities devoted to the purpose and related to the use and enjoyment of the Common Properties and of the Lots situated upon the Properties, including but not limited to:

C. Annual Assessments Beginning January 1, 2009, the annual assessment shall be \$425.00 per Lot, payable on the first day of each year. The assessment shall be “per lot owned”. This annual assessment shall be prorated in the year of initial purchase. The annual assessment shall be paid directly to the Homeowners’ Association, or, in the event the Association is not yet activated, to the Developer to be held in accordance with the above provisions.

NOTE: This \$425.00 is allocated as follows:

1. \$150.00 is paid to Raven Ridge Property Owners’ Association (this fee is equal to ½ of the yearly assessment for Raven Ridge owners – currently at \$300.00)
2. \$275.00 is paid to The Park at Raven Ridge Subdivision Homeowners’ Association, Inc.

D. Increase of Assessments The Board of Directors of the Homeowners’ Association shall annually, and on the 1st of each year, after consideration of current maintenance costs and future needs of the Association, fix the actual assessment in advance for each year. Any new annual assessment exceeding one hundred ten percent (110%) of the assessment for the previous year shall have the approval of two-thirds (2/3) of the votes of Class A Members who are voting in person or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members at least thirty (30) days in advance of the meeting and which notice shall set forth the purpose of the meeting.

E. Special Assessments for Capital Improvements In addition to the annual assessments authorized by the above section, the Homeowners’ Association may levy in any assessment year a special assessment, applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of a described capital improvement upon the Common Properties and/or road system, including the necessary fixtures and personal property related thereto, provided that any such assessment shall have the assent of a majority of the votes of each class of Members who are voting in person or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all members at least thirty (30) days in advance, and shall set forth the purpose of the meeting.

F. Quorum and Notice for any action as set forth in “Increase of Assessments” and “Special Assessments for Capital Improvements” Written notice of any meeting called for the purpose of taking any action authorized in this Section shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At such meeting, the presence of Members in person or by proxy entitled to cast a majority of all the votes of each class of membership shall constitute a quorum.

G. Uniform rate of assessment Both annual and special assessments must be fixed at a uniform rate for all Lots, and shall be collected on an annual basis (by January 10th of each year).

H. Certificate of Payment The Homeowners’ Association shall upon demand at any time furnish to any Owner liable for said assessment a certificate in writing and in recordable form, signed by an officer of the Association, setting forth whether said assessment has been paid. Such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid.

I. Effect of Nonpayment of Assessment; Personal Obligation; the Lien; Remedies of the Association If the assessments are not paid on or before fifteen (15) days after the date when due, then such assessment shall become delinquent and shall, together with interest thereon and costs of collection thereof as hereinafter provided, thereupon become a continuing lien on the property which shall bind such property in the hands of the then Owner, his heirs, devisees, personal representatives and assigns.

If the Annual assessment is not paid within thirty (30) days after the date when due, the assessment shall bear interest from the date of delinquency at the rate of twelve percent (12%) per annum. The Homeowners’ Association may bring an action of law against the Owner personally obligated to pay the same, or to foreclose the lien against the property, in the same manner as foreclosure of a mortgage, and there shall be added to the amount of such assessment interest as provided herein together with the costs of the action and collection of the assessment, including a reasonable attorney’s fee and costs and fees on appeal. Reasonable attorney’s fees and costs of collection shall be recoverable whether or not suit be brought. If the Homeowners’ Association files a claim of lien on the public records of Fannin County, against any Lot, a seventy-five dollar (\$75.00) lien fee may be charged and shall be added to the unpaid assessment and secured by the lien hereby created.

Section 8: Architectural Control

A. Subdivision Architectural Control No building, wall, residence, garage, or any other structural improvement, or change or alteration to the exterior of existing structures or improvements, or in the landscaping (except landscaping located in a concealed and fenced courtyard or privacy area adjacent to a residence) shall be commenced, erected, or maintained, nor shall any exterior addition to or change or alteration thereto be made until the plans and specifications showing the nature, kind, size, design, shape, finished grade elevation, height, materials, color and locations of the same shall have been submitted, together with a plot plan showing the location relative to boundaries and adjacent improvements of such proposed improvements or changes, shall have been approved in writing as to harmony of exterior design and location in relation to surrounding structures and topography by the Board of Directors of the Homeowners' Association or their appointees acting as an Architectural Review Board, sometimes herein referred to as the ARB. The provisions of this Section shall not apply to the Developer. So long as the Developer shall hold for sale in the ordinary course of business a Lot or residence in the properties, Developer shall serve as the sole member of the ARB.

After sale of Developer's last Lot or residence in the properties, the ARB shall consist of five members (or 67% of the property owners, whichever is less), each being an Owner of a Lot in The Park at Raven Ridge Subdivision. Approvals or disapprovals shall be by a majority vote of ARB members present, all members of the ARB having had (30) days written notice of a meeting to consider submitted plans and issues.

1. Duties and Powers of the ARB The ARB shall have the following duties and powers:

- a. To promulgate from time to time residential planning criteria for the properties at the discretion of the ARB. Said planning criteria shall be set forth in writing and made available to all members and to all prospective members of the Homeowners' Association. Any planning criteria promulgated by the ARB shall be subject to final approval by the Board. Said planning criteria may include any and all matters considered appropriate by the ARB not inconsistent with the provisions of this Declaration; and
- b. To approve all buildings, fences, walls, pools, or other structures which shall be commenced, erected or maintained upon the Properties and to approve any exterior additions to, or changes or alterations therein, as herein provided, and to approve building plans and specifications and Lot grading and landscaping plans. The conclusion and opinion of the ARB shall be binding. If in its opinion, for any reason, including purely aesthetic reasons, the ARB should determine that said improvement, alteration, etc. is not consistent with the development plan formulated by the Developer or the planning criteria for The Park at Raven Ridge Subdivision or lands contiguous thereto, such alteration or improvement shall not be made.

2. Approval or disapproval Two (2) sets of plans, specifications and plot plans shall be submitted to the ARB by the Owner prior to applying for a building permit. The ARB approval or disapproval, as required by this Declaration, shall be in writing and set forth on one copy of the plans, etc. to be returned to the Owner. The remaining copy shall become the property of the ARB. In the event the committee or its designated representative fails to approve or disapprove within thirty (30) days after plans and specifications have been submitted to it, or, in any event if no suit to enjoin the construction has been commenced prior to the completion thereof, approval will not be required and the related criteria shall be deemed to have been fully complied with. Developer, the ARB, any agent or architect thereof, shall not be responsible in any way for any defects in any plan or specifications submitted, revised, or accrued in accordance with the requirements of the ARB, or for any structural or other defect in any work done according to such plans and specifications.

3. Developer approval Notwithstanding any provision otherwise, for so long as the Developer owns any subdivision lot, the Developer reserves the right to approve all contractors or builders constructing residences in the subdivision; said approval not to be unreasonably withheld by Developer. The work approved must be substantially in accordance with the plans, specifications, and Lot plans, as submitted and approved.

B. Enforcement of Planning Criteria The Developer and the Homeowners' Association shall have the right to enforce the provisions hereof and the planning criteria. Should any Owner fail to comply with the requirements hereof, or of the planning criteria after thirty (30) days' written notice, the Developer and the

Homeowners' Association shall have the right to enter upon the Lot, make such corrections or modifications as are necessary, or remove anything in violation of the provisions hereof or the planning criteria and charge the cost thereof to the Owner. Should the Developer or the Homeowners' Association be required to enforce the provisions hereof by legal action, the reasonable attorney's fees and costs incurred, whether or not judicial proceedings are involved, including the attorney's fees and costs incurred on appeal from judicial proceedings, shall be collectible from the Owner. The Developer and the Homeowners' Association, or their agents or employees shall not be liable to the Owner for any trespass or damages or injury to the property or person of the Owner unless caused by negligence.

C. Exemption for Developer Any provision of this Declaration to the contrary notwithstanding, for so long as Developer, its successors or assigns, shall hold for sale in the ordinary course of business a Lot or residence in the properties, developer shall be exempt from the requirements of this Section with respect to approval by the ARB of plans and specifications for construction or alteration of any structure or improvement.

Section 9: Exterior Maintenance

A. Exterior Maintenance In addition to maintenance upon the Common Properties and rights of way, the Homeowners' Association shall have the right to provide exterior maintenance upon any vacant Lot or upon any improved Lot or the exterior of any residence situated thereon; subject, however, to the following provisions. Prior to performing any maintenance on a Lot or exterior of a residence located thereon, the Board of Directors of the Community Association shall determine that said property is need of repair or maintenance and is detracting from the overall appearance of the development. Prior to commencement of any maintenance work on a Lot or residence, the Homeowners' Association must furnish thirty (30) days' prior written notice to the Owner at the last address listed in the Homeowners' Association's record for said Owner notifying the Owner that, unless certain specified repairs or maintenance are made within said thirty (30) day period, the Homeowners' Association shall procure said repairs and charge same to the Owner. Upon the failure of the Owner to act within said period of time and to thereafter diligently pursue repairs or maintenance, the Homeowners' Association shall have the right to enter in or upon any such Lot, or to hire personnel to do so, to make such necessary repairs or maintenance as is specified in the written notice. In this connection, the Homeowners' Association shall have the right to paint, repair, replace and care for roofs, gutters, downspouts, exterior building surfaces, trim and care for trees, shrubs, grass, walks, and other landscaping improvements, as well as general Lot cleanup, and removal of debris which, in the opinion of the Homeowners' Association, detracts from the overall beauty and setting of the property.

B. Assessment of Cost The cost of such exterior maintenance shall be assessed against the Lot upon which such maintenance is done immediately upon completion and shall be a lien upon the Lot and a personal obligation of the Owner and shall become due and collectible, along with costs of collection and attorney's fees, in the same manner as delinquent assessments above.

C. Access at Reasonable Hours For the purpose solely of performing the maintenance authorized by this Article, the Homeowners' Association, through its duly authorized agents or employees, shall have the right, after reasonable notice to the Owner, to enter upon any Lot or exterior of any residence at reasonable hours on any day except Sundays and holidays (except that in an emergency situation, as determined by the Homeowners' Association, such notice need not be given and entry may be made on any day).

D. Insurance The Board of Directors may maintain public liability insurance, to the extent obtainable, covering the Homeowners' Association and each Homeowners' Association member, lessee and occupant and the managing agent, if any, against liability for any negligent act or commission of omission attributable to them which occurs on, in, or with respect to the Common Properties or functions of the Homeowners' Association, including those functions of the ARB. All insurance premiums for such coverage shall be paid for by the Homeowners' Association.
